

PINS ON LURLINE

Children's Policy

Whilst you and your children are more than welcome, as a courtesy we need to make you aware that we do have a child policy in place;

- Due to Covid restrictions, we have reduced dining capacity, with children / babies being counted as part of our maximum number of diners. As a result, all guests regardless of age will be charged for our 6 course tasting menu at \$80p.p.
- We do not offer specific children's meals, however we can adapt our dishes to be more child friendly based on available seasonal ingredients.
- Children must remain seated at all times. This is for the safety of all guests and our staff and to avoid disturbing the ambiance for other diners
- As we are a small restaurant, we do not have space in our dining room for prams and ask diners to leave them in our bar area
